

Van Auken Again Wins Championship In Singles Tennis

DEFEATS GRUGAN IN FIVE SET MATCH—AN EXCITING CONTEST FROM START TO FINISH—LOSER SHARES HONORS WITH VICTOR—DOUBLES CHAMPIONSHIP TO BE DECIDED NEXT SATURDAY—CONSOLATION MATCHES ON TODAY.

"There's no use of crying over spilt milk"—as Eddie Cicotte and Joe Jackson might have said instead of weeping from the neck of the Chicago Grand Jury—but if you missed seeing that final match in the singles tournament of the Narberth Tennis Association last Saturday afternoon, you missed just about the best all round exhibition of tennis that has ever been seen on the local courts.

Lt. Com. Frederick Van Auken retained his title of singles champion—won last year—by defeating A. T. Grugan, after what was admittedly about as game an up-hill battle as any one could wish to see. What's more, it was about as close a match as the average nervous system of the average spectator could stand and live

tually played the other to a standstill, except that, as Grugan very frankly said after the match was over: "When the crisis came Van Auken had the punch to put it over, and I didn't—he won, and he deserved the victory."

A Remarkably Even Match.

But look at the score, and the analysis of the points (thanks to the scoring of Umpire Kirkpatrick, who also made the analysis) and see for yourself what a remarkably close contest it was.

First, consider the score: 6-3, 0-6, 4-6, 6-3, 7-5. Count up the games and you'll find that out of a total of 46, Van Auken won exactly 23, and Grugan likewise won exactly 23. Then count up the points scored by the two players

to tell the tale—not to mention the strain on the players!

Van Auken won all right, and he is deserving of all the credit that may be given him, but no report or estimate of the contest could fairly be set down that did not bestow an almost equal amount of credit on Grugan. For if ever a defeated contestant in a tennis match deserved almost—but not quite—as much credit as the victor, it certainly was Grugan in last Saturday's match.

To say that Van Auken played Grugan to a standstill would not be correct, and neither would it be correct to declare that Grugan played Van Auken to a standstill. What really happened was that each contestant vir-

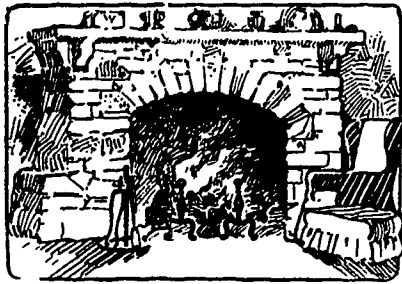

and you'll find that they total 295, and you'll find further evidence of the closeness of the match, for you will discover that Van Auken, the winner, scored a total of 147 points in the 23 games that he won, while Grugan, who was defeated, in the 23 games that he won actually scored one more point than the winner, or a total of 148.

In aces they were almost equal, although here the defeated player had a slight advantage, Van Auken being credited with 2, and Grugan with 3. In placements they were exactly equal, each player getting exactly 25.

It was the "negative side" of the contest, as the analysis shows, that "told the tale." Grugan made a total of 66 nets or 7 more than Van Auken; 43 outs or 7 more than Van Auken, and 19 double faults or 2 more than Van Auken.

Each player had speed and pep aplenty, and each exhibited remarkable powers of endurance; and each showed amazing skill in placing his shots. But mathematical figures don't lie—especially when tabulated on a Burroughs adding machine—and the figures in the analysis of this match prove conclusively that in this all-important matter of skill in placing shots, it was Van Auken who excelled. He drove fewer shots into the net and fewer outside the lines, and in serving double-faulted fewer times than his opponent. In a word, and in plain, every-day tennis English, Van Auken proved himself to be just a little bit

Borough Council Appoints Policemen

FRANK NEVINS SWORN IN TO FILL VACANCY—HE IS EXPERIENCED AND COMES WELL RECOMMENDED.

It is with great satisfaction that Our Town records the appointment of Frank Nevins as Borough Policeman. Mr. Nevins was engaged by Borough Council, and last Wednesday night appeared at the Committee meeting of Council and was sworn in. In the absence of Burgess Downes, the oath was administered by President of Council Hall.

Officer Nevins comes to Narberth on the recommendation of Captain James Donaghy, of the Lower Merion Township police force, and Lieutenant of Detectives James Scanlin, of the Philadelphia police force. He was formerly a member of the Philadelphia force and more recently has been acting as house detective at several of the leading Philadelphia Hotels. Officer Nevins is a noted athlete and has appeared at the Police Carnivals.

In announcing his engagement as Borough Policeman, Council has issued a formal statement which appears elsewhere in this issue of Our Town. Discussing the appointment with the editor of Our Town, W. R. D. Hall, President of Council, said: "Narberth is to be congratulated on having secured the services of such an officer as Mr. Nevins. Borough Council has realized for months past the necessity for such a move, but it has been impossible heretofore to secure a man of the proper type."

"The Burgess is in full accord with the move just made and, as President of Council, I feel that I am speaking for both the Burgess and the Council when I assure the citizens that certain conditions here which have been intolerable will be changed very promptly."

"One thing especially I believe should be understood, and that is that the Burgess and Council intend to stand squarely back of Policeman Nevins, who has been instructed to enforce obedience to the laws without fear or favor."

"Owners of automobiles will do well to take notice that infractions of the law will no longer go unnoticed or unpunished. Offenders against other laws are likewise warned."

"Narberth is a good town and will be kept a good town. Street loafing and its concomitants must end, and our new policeman has been so instructed."

INTEREST IN ACTIVITIES PROMOTED BY THE ARDMORE BRANCH IS MANIFEST.

Last year's bowling record made a number of people in and about Ardmore feel that about the climax in this sort of recreative activity had been reached, but with the opening of the present season we find an increasing interest shown. The men who headed up the Commercial Bowling League of last year have found that it was necessary to increase this league from six to eight teams. There were urgent requests from groups of men not included in the league teams last year to join in this sport. The teams comprising the league this season will be Autocar, Post Office, Men's Club, Business Men, All Stars, Gas Company, Bank, and Highland Park. Regular schedule for bowling will begin Monday, October 11th. Matches will be rolled each Monday and Friday.

The Association is again being represented in the Main Line Bowling League by a good strong team.

The exhibition of hats made by members of our New Idea Millinery Classes proved to be an event of considerable interest to the ladies of the community. Women from most of the towns of the Main Line were present and were convinced of the unusual reports they had heard concerning hats their friends and acquaintances had been making. They had the privilege of seeing hats made by Mrs. B. K. Wilbur, Mrs. E. S. Pitts, Miss Emma Hamilton, Mrs. R. J. Hamilton, Mrs. R. T. Burns and others. One of these hats which was almost an exact duplicate of a hat that retailed for \$32.00 in Philadelphia, cost the owner and maker \$5.00. Classes in millinery and dressmaking will continue throughout the winter, meeting on Thursday afternoon and Friday evening for millinery and Thursday evening for dressmaking. All women are invited to join these classes and avail themselves of the exceptional opportunity offered under the instruction of Madame Thasia.

Volley ball is growing quite popular on Monday and Wednesday evenings. A group of business men of the community have developed two teams that make it interesting for each other. The men are growing more enthusiastic about the helpful recreation and exercise they are getting from this sport. The teams can be enlarged and new ones added as the men of the community may desire.

Editorial

With this issue we complete Volume VI of Our Town, and it is with ardent hopes and encouragement that we enter into the seventh year of the life of this little paper. The editor thanks all those who have given their support during the year just closing and their assistance is earnestly solicited for the coming volume.

The success of any paper the nature of Our Town is strictly in the hands of the townspeople. As there are no paid workers, all news items and advertisements is a matter of a philanthropic nature and which is, no doubt, greatly appreciated by every one who is interested in Narberth.

The Borough Council has engaged Frank Nevins as Borough Policeman. Mr. Nevins, who is experienced in police duties, has been sworn in. He has served on the Philadelphia police force and as a private detective.

The Council bespeaks for Officer Nevins the cordial support of all citizens and feels certain that conditions which have needed attention will be promptly remedied.

Officer Nevins is well and favorably known to Captain Donaghy, of the Lower Merion police force, and has been recommended by the Captain.

COUNCIL OF THE BOROUGH OF NARBERTH.

By W. R. D. HALL, President.

The Narberth Baseball Team deserves much credit for the very excellent article of baseball played last Saturday against the Berwyn team on the Polo Grounds at Devon. When it is taken into consideration that Narberth possessed no paid players, but local boys who entered into the game for sport only, it surely is very creditable and they should be encouraged in every way possible.

which if materialized will add greatly to Narberth as an athletic centre, and we hope that at an early date we will be able to divulge, which at the present time is considered "secrets." 'Nuff said.

The American Legion "Our Flag" Dinner and Dance, to be held Friday evening, October 15th, at General Wayne Inn, should receive the heartiest support by the folks of our borough. Proceeds of this dinner-dance are to purchase a flag for the Harold D. Speakman Post. Elsewhere in this issue details are given regarding this dance, and we trust every one will avail themselves of the opportunity of attending this worthy undertaking.

The editor receives numerous letters, most of which are interesting and worthy of publication in Our Town, but oftentimes no signature shows thereon except the nom de plume.

Gifford Pinchot, chief forester of Pennsylvania, today announced that the southeastern section of the State has been named the Valley Forge State Forest. The area comprises Montgomery, Bucks, Delaware, Chester, Philadelphia and Lancaster Counties. He said the title was selected because of the historical significance of the village in the district.

Although there is no State land in that region at present, there soon will be a small State forest in Bucks County following the acquisition of some 7,000 acres on the Haycock Mountain tract as a result of the condemnation proceedings to be started October 11 by the State Forest Commission.

No name was given to the Valley Forge district last month when the Forest Commission renamed many of the State forests, for the reason that it was uncertain when the State would own land in that vicinity.

Battling Against the White Plague

LOCAL SOCIETY FULLY ORGANIZED—COUNTY DIVIDED INTO 17 DISTRICTS.

HEADS OF THE MOVEMENT

An exceptionally well organized society has been perfected in Montgomery County to carry out the plans of the Pennsylvania Tuberculosis Society, the county having been divided into seventeen districts, with one hundred and twenty-six sub-divisions or units. Every district has a chairman, who in turn is a member of the Executive Committee of the county body, thus giving every section representation on the committee that will formulate all important plans.

Prof. Paul A. Mertz, of Ursinus College, has been chosen as President of the Montgomery County Society to succeed Rev. Karl Morgan Block, who left Norristown a few days ago to take charge of his new pastorate at Roanoke, Virginia, and the new head is already planning extensive plans for certain phases of the organization's activities. Other officers of the organization who are ex-officio members of the Executive Committee, include the Vice-Presidents, Mrs. John Meigs and Mrs. Robert W. Stuart; Treasurer, Clayton H. Alderfer; Secretary, Robert J. Edgar; Field Secretary, Wilda M. Kneas, and Publicity Chairman, Roy Huber.

The Christmas Seal Sale, which is one of the big projects under the supervision of this organization, will be conducted along more intensive lines this year than ever before in the history of the society, and the Christmas Seals and Health Bonds will assuredly find their way into every section, this phase of the work to be conducted under the chairmanship of Herbert H. Ganser. Too great an emphasis cannot be placed upon Mr. Ganser's organization capabilities, as he served as chairman of the Four Minute Men and Speakers' Bureau of the county during the war; was vice-chairman of the Committee of Public Safety and National Defense; Chief of the Conservation Division, Fuel Administration; President of Norristown Branch, American Red Cross; headed the Soldiers' and Sailors' Library Fund movement and was prominently identified in the Liberty Loan, War Savings and Thrift Stamps, War Chest, War Camp Community Service, Y. M. C. A., and other financial and welfare drives.

Big things are thus anticipated in this county under such capable leadership. Every section will be assigned quotas in the near future.

Other members of the Executive Committee in addition to those already mentioned, include Mrs. George J. Cooke, Ambler; Mrs. John J. McCormick, Bridgeport; Mrs. J. E. Caldwell, Bryn Mawr; Mrs. A. Conrad Jones, Conshohocken; Mrs. C. W. Gregory, Cynwyd; Mrs. D. Ellis Lit, Jenkintown; Miss Alma Fitzpatrick, Miss Lillian Brown and Miss Kate Brunsstar, Norristown; Mrs. C. B. Moyer, North Wales; Rev. George W. Lutz, Pennsburg; Rev. C. H. Kehm, Pottstown; Mrs. U. S. G.

Finkbiner, Royersford; Mrs. Francis Wack, Schwenksville; Dr. F. Crouthamel, Souderton, and Mrs. Samuel G. Smythe, West Conshohocken.

Very commendable progress has already been made by Miss Wilda Kneas in taking care of many details in the organization, since her appointment as the Field Secretary for the county, as evidenced by her fine report at a recent meeting of the Executive Committee. Nearly five thousand school children have already enrolled in the modern health crusade movement, which is an important phase of the undertakings of this society.

Next Monday a conference will be held at the City Club, Philadelphia, under the direction of the State officers for the purpose of outlining important plans. Representatives from the various districts have been urged to attend this session.

Last year a new record was established in the sale of Christmas Seals and Health Bonds through the efforts of a committee that had headquarters at the offices of the Associated Charities and great credit is due to Miss Alma Fitzpatrick, Secretary of the Associated Charities, and others identified with this organization for the excellent manner in which they handled the sale of Christmas Seals and Health Bonds throughout the county in previous years and for the fine foundation laid, upon which the society will now build up a still stronger body to raise funds for the purpose of combating the white plague and rendering other practical service. A central headquarters will be established in Norristown in the near future to conduct the undertaking this year.

LEAGUE OF NATIONS MEETING.

An interesting meeting was held at the home of Edward U. Smith, 200 South Narberth avenue, on Saturday evening, which was addressed by Major A. J. Farrell, of West Chester, candidate for United States Senator; Mr. Harvey J. Plummer, candidate for Congress in the Eighth District, and Mrs. Dr. Edward P. Davis, of Philadelphia, recently appointed elector-at-large on the Democratic ticket.

Those who were privileged to hear the popular question of the League of Nations discussed were greatly interested, and it is expected that arrangements will be made shortly to have a public discussion of the question in Elm Hall.

THE PROBLEM.

Kelly had drawn a summary for being absent from post while on guard duty.

"Where were you," demanded the Judge Advocate, "when the Sergeant of the Guard passed just in front of your post?"

"At the rear."

"Where were you when the Corporal

passed just behind it?"

"At the front."

"And now," triumphantly, "where were you when the Sergeant and the Corporal walked around your post from opposite directions without seeing you?"

"Judge," said Kelly, hopefully, "that's just the question that's been worrying me. Where was I?"

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, State and Nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.—Preamble to the Constitution of the American Legion.

VICTORY MEDALS

Some time ago a bulletin was forwarded to all Posts, directing them to appoint a Victory Medal Officer whose duty it would be to see that all members of the Post promptly made proper application for these medals, as well as to assist former service men who are not members of the Legion to do so. This letter is intended to call the attention of Posts to the necessity of doing so without further delay if the Legion is to make a special feature of this distribution as part of its Armistice Day celebration. The Victory Medal Department of the Recruiting Office at Harrisburg writes as follows:

"The Recruiting Officer wishes to express his appreciation of the excellent co-operative spirit shown by the members of your organization and the Legion Posts throughout the Harrisburg Recruiting District. The response of the members themselves has been very encouraging and several Posts are approaching the hundred per cent. mark in the Victory Medal distribution.

"The Philadelphia District is having no trouble in this matter and the Scranton District is getting in good shape. The greatest trouble is in the Pittsburgh District, but this is gradually adjusting itself.

"Posts must attend to this matter. Members need feel no hesitancy about sending in their discharges as they will be taken care of and promptly returned. If this is not done, application should be made at the recruiting office for Form 740-C, A. G. O. for enlisted men, or Form 740-D for officers on which to make claim. Attend to this matter now. It may take some time until the medal is forwarded."—A. L. Bul. 18, Sec. Series.

The Adjutant has the forms mentioned above and will see to it that all discharges turned in will be taken care of and returned promptly. Help us to make Armistice Day one to be remembered for some time.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line

better player than Grugan, and that's exactly why he won.

But to get entirely away from this high-brow technical stuff, which is more a matter for consideration at the hands of such well-known firms as Messrs. Shaw and Warwick, Consulting Tennis Engineers, Unlimited, it certainly was one fine exhibition of tennis. There wasn't a dull moment in the entire match, and there were innumerable occasions when the brilliant work, first of one player and then of the other, brought forth the well deserved applause of the spectators. The unerring accuracy with which each man clipped the back line and the back end of the side lines of his opponent's side of the net, was almost uncanny.

Van Auken used his chop stroke much more than he usually does, and to very good advantage, too, while his overhead smashes were particularly effective. In the early part of the match Grugan found considerable difficulty in handling Van Auken's serve, but as the contest progressed he succeeded very materially in solving this problem.

After losing the first set 3-6, Grugan came back with a rush and took the second in a love set, and the third 6-4. At that stage it looked as though Grugan would certainly be the winner. The fourth set was bitterly contested and was finally won by Van Auken after Grugan had tied the score at "2 all" and followed this up by leading for one game at 3-2.

Again, in the fifth and final set, Grugan came almost to the point of winning. He won the first, third, sixth, seventh and eighth games, and led at this point by a score of 5-3. Then came the crucial test, and Van Auken, calling on the reserve "steam" and extra skill which he apparently had concealed somewhere about him, and by the sheerest kind of hard work—for he had had a nasty fall but a few minutes before—forged steadily ahead. He won the ninth, tenth, eleventh and twelfth games, straight running, and almost before the spectators realized that the match was finished, Grugan was up at the net extending his hand and his congratulations to the champion.

Doubles Championship to Be Decided Next Saturday.

The final match in the doubles tournament will be played next Saturday, when Kirkpatrick and Staples will meet Warwick and Shaw. Both of these teams have been doubles champions in past seasons, and you may depend upon it, next Saturday's contest will be well worth seeing. Playing will start promptly at 2 o'clock.

Last Saturday Warwick and Shaw won their way into the finals by defeating McCullill and Eastmead in two straight sets, 6-2, 6-0.

May Play Finals in Consolation Singles Today.

In the consolation singles, Baer has reached the finals by defeating Smedley, 6-4, 6-2. In the deciding contest for the consolation championship, which may be played today, Baer will meet the winner of the W. D. R. Evans- Foote match.

Women's Community Club Notes

The annual fall luncheon of the Club, as announced in last week's issue, to be held on Tuesday, October 26, we are glad to state will be spread in our former club rooms, known as the "Community Room of the Y. M. C. A." The hospitality committee will serve one of its choice luncheons. The program will be a delight to all the members, as some of the club favorites have been secured to address us. The program will be announced in full in a later issue.

The National Federation of Women's Clubs convenes in Harrisburg, October 11-15. The Narberth Community Club hopes to be represented by its President, Mrs. E. C. Batchelor, also Mrs. C. P. Fowler, Mrs. W. Mulholland, Mrs. E. Cockrill, and Mrs. H. A. Jacobs. If there are any other members who can attend they will be more than repaid.

The Music Committee wish to invite any women of Narberth who have any training, no matter how little, on the

men. The President, Mr. Arthur W. Burns, was empowered to at once arrange with the opponents of the League of Nations for a public debate on the issue. Announcement will be made in Our Town of the date selected and the names of speakers.

The regular meeting of the Housing Committee of the Main Line Citizens' Association was held in the Memorial Building, Bryn Mawr, on Wednesday. The committee is endeavoring to correct and improve housing conditions along the Main Line and will be glad to have called to their attention any buildings or dwellings where betterments may be made which will add to the general improvement of the community.

American flags will decorate the Federal courts of Philadelphia where so many men and women go through the process of becoming American citizens. Benjamin F. Ludlow, of Ardmore, who was active in the Liberty Loan campaign, has formed a committee of lawyers which will arrange to supply large American flags to be draped on the walls of the court rooms presided over by Judges Thompson and Dickinson.

MAIN LINE BOWLERS.

Organization Perfected for Coming Season, Which Begins October 6.

With representatives of six teams present, an organization meeting of the Main Line Bowling League was held at the Radnor Fire House last Wednesday night.

Paoli, represented by Arlie Supplee; Ardmore Y. M. C. A., by James Oakley; Bryn Mawr, by "Bill" Rogers; Wayne Men's Club, by Fred Jones; the Autocar Club, by "Jim" Kimes; and the Radnor Fire Company, by Fred Brandt, were the six teams that were members of the league last year, and that signified their intention of rolling again this year. Narberth and Rosemont, the other two last-year members, dropped out this year because of inability to secure alleys. It was decided to take in their places the C. C. Paiste & Co. team, of Wynnewood (as a traveling team) and another team from the Bryn Mawr Fire Company, thus keeping intact the eight-club circuit.

New officers of the league were elected as follows: George E. Mathias, President; Fred Brandt, First Vice-President; Lawrence Allen, Second Vice-President; M. G. Canizares, Secretary, and Joseph W. Todd, Treasurer.

The split season that has been so successful before, will be used again this year, the first half to start on October 6. Fourteen matches will be played in each half, each club meeting all the others twice.

Several small changes were made in the by-laws, the most important being to raise the entrance fee from \$10 to \$15 per club, and a charge of \$2.50 a team per match, instead of \$2. These were necessary because of increased costs in pins, pin boys, etc.

Hallowe'en Masquerade Dance to be Given by Ladies of Tennis Association

Members of the Narberth Tennis Association and their wives and friends are asked to keep in mind the Hallowe'en Masquerade Dance which will be given in Elm Hall, Saturday evening, October 30.

The affair will be given by the Ladies' Committee of the Association and promises to be a big party—lots of fun for everybody. Many unique and amusing costumes, and plenty of dancing for all.

Members of the Association will be supplied with tickets in about ten days.
